Re: *In Re: Holocaust Victim Assets Litigation*, 09-cv-160-ERK

Dear Judge Korman:

This firm represents the State of Israel in the above-referenced action, acting as *parens patriae* for all class members living in Israel. I write to confirm our request that the Court rule on the State of Israel's uncontested Motion for Access to Documents, Data and Information Examined or Utilized as Part of the Junz Recommendation; and for an Interview with Special Master Junz (Docket #26).

Respectfully yours,
